

NOTICE TO PROPERTY OWNERS
Sidewalk Snow and Ice Removal

The City of Winnemucca would like to remind its residents that Section 12.04.005 of the Winnemucca Municipal Code requires property owners to maintain their sidewalks, including snow and ice removal.

We strongly recommend that property owners do their best to clear their sidewalks of snow and ice in a timely manner in order to avoid any potential liability for injuries that might occur to members of the public.

The Public Works Department (with help from the local Honor Camp) has a residential snow removal assistance program for the elderly (at least sixty years old) and for the medically challenged. If you qualify, and would like to be added to our snow removal list, please call the City Manager's office at 623-6333.

We thank you for doing your part to provide safe walking paths for our citizens.
